Dear Madame Mayor and Members of Council,

I am writing to express my strong opposition to any consideration of implementing a Municipal Land Transfer Tax (MLTT). Implementing this tax would only make housing even less affordable for Hamiltonians, adding yet another financial burden to homebuyers, sellers, and renters. At a time when so many residents are already struggling with the high cost of living, this tax would exacerbate the housing crisis rather than help resolve it. I urge you to consider alternative solutions that focus on affordability and do not further penalize families already stretched thin.

Thank you for your time and consideration.

Sincerely,
