Would you like to provide additional comments on the answers you have provided above?

OPTIONAL

This last question gives you an opportunity to tell us more about your thoughts on housing. You decide what you would like us to share with our members.

This is personal. My partner and I would love to buy a house instead of renting but we can't afford a house in a decent area to raise a family.

My partner has a good salary, and we should be able to afford a house but due to housing prices we're stuck. I know there are lots of younger people in this situation. This is why we need to build affordable housing.
